## Narratives of Fabric - "Identity in Cloth"

Our weekly Playgroups offer families an opportunity to initiate routine and support your child in making social connections. Children grow in confidence, joining their class group at the same time each week, with our team of experts leading families on a journey that builds upon the previous weeks discoveries. Our Playgroups take children on a sensory journey through sight, sound, touch and even smell and taste.

Our September to November 2018 Playgroup centres on investigations surrounding fabric. Each week, we'll present children with new ways to connect, explore and work with fabric, exercising all our senses, inviting our curiosity and allowing us to question, wonder and test our theories.

We look forward to having you join us for this wonderful 12 week exploration.
