

The Stories of Spring

23 March - 10 April 2020

Brush away the petals (swish)
And blow the tree a tiny kiss.

What to expect

This special 3 week Programme will be inspired by the "Stories of Spring".

Our Infant & Toddler Ateliers will use the power of story telling to bring to life children's imaginations, images, understanding and ideas of spring.

The image of Spring provides so much content rich in potential for children to explore from eggs to new life, to animals, to weather and the enormous scope of the environment around us. Our experiences will be greatly inspired by natural materials and resources.

Children will be offered a range of experiences inspired by the Christie Matheson books 'Tap the Magic Tree', 'Plant the Tiny Seed' and 'Touch The Brightest Star'.

Join us for a nature and new life inspired Playgroup rich in sensory explorations and potential.
